Q&A

Q. I see a message saying that I am not eligible for gown rental in the Portal - Gown Rental menu.

A. Please visit the rental location and fill out the rental confirmation slip by hand on site.

Q. Is porxy pickup or proxy return allowed?

A. In principle, the graduate must pick up and return the gown in person. However, if unavoidable, a proxy may do so by bringing the graduate's ID(student ID, resident registration card, etc.) and the rental confirmation slip.

Q. Do I have to return the gown on the same day I rent it?

A. No. Please make sure to return the gown by the end of the rental period (February 25).

Q&A

Q. I have paid the rental fee, but the [Rental Fee Payment Status] in the Portal - Graduation Gown Rental menu still shows "Unpaid."

A. This may occur when there is heavy traffic on the system. Please wait for a while and try accessing the menu again later.

Q. I have paid the rental fee, but I would like to request a refund.

A. Please send an email including your student ID number, name, contact information, degree type (bachelor's or master's), and a copy of your bankbook to receive the refund.

(Email: chongmu@korea.ac.kr)

Refund requests are not accepted after February 25. Refunds will be processed in March.
